

Super Sheath™

Designed for Ease of Entry
and Reduced Trauma

MEDIKIT

Super Sheath™

Designed for Ease of Entry and Reduced Trauma

Smooth Transitions

Funnel shaped dilator

- ▶ The unique design of the dilator enables smooth transitions with a lower insertion force.
- ▶ Improved kink resistance and lubricity enhance pushability while maintaining device integrity.
- ▶ Long, gradually tapered tip reduces potential for vessel trauma.

Long, gradually tapered tip enables smooth device insertion

Excellent Catheter Passage

- ▶ Silicone-coated valve and smooth inner surface promote device passage.
- ▶ Tricuspid valve design promotes hemostasis.

Ease of Use

Translucent hub

Rotating suture wing

One-piece structure

- ▶ Translucent hub allows visibility of the reverse flow of the blood flow.
- ▶ Rotating suture wing allows for sheath securement.
- ▶ Dilator/hub twist-lock for security during insertion.
- ▶ The one-piece structure of the sheath reduces device insertion/extraction resistance.

Various Sheath for Various Treatment

Short (11cm) and Long (25cm) length Sheath

Larger French Sheath (10, 11, 12, 14F)

Sheath with a Radiopaque Marker

Super Sheath™

Components

Standard Sheath

French Size	Sheath Length (cm)	Mini-Guide Wire(inch)
4F (red)	7, 11	0.035
5F (gray)	7, 11, 25	0.035, 0.038
6F (green)	7, 11, 25	0.035, 0.038
7F (orange)	7, 11, 25	0.035, 0.038
8F (blue)	11, 25	0.035, 0.038
9F (black)	11, 25	0.035, 0.038

Radiopaque Marker Sheath

Features	French Size	Sheath Length (cm)	Mini-Guide Wire (inch)
With Radiopaque Marker	4.0F (red)	11, 25	0.035
With Radiopaque Marker	5.0F (gray)	7, 11, 25	0.038
With Radiopaque Marker	6.0F (green)	7, 11, 25	0.038
With Radiopaque Marker	7.0F (orange)	7, 11, 25	0.038
With Radiopaque Marker	8.0F (blue)	7, 11, 25	0.038
With Radiopaque Marker	9.0F (black)	7, 11, 25	0.038

XL Sheath

Features	French Size	Sheath Length (cm)	Mini-Guide Wire (inch)
XL Sheath	10 (gray), 11 (white), 12 (green), 14 (orange)	11	0.035, 0.038
XL Sheath	10 (gray), 11 (white), 12 (green), 14 (orange)	25	0.038

* All sheaths in the list above are packaged with dilators in a sterile pouch. One shelf box contains 10 sterile pouches.

* 7cm and 11cm sheaths may be purchased with or without Mini-Guide wires. 25cm sheath does not come with guide wires.

* Dilator lengths are 17cm (11cm sheath) and 31cm (25cm sheath).
